Q What is v-Trainee?

v-Trainee is a designated program for high-achiever young talents held by one of the fastest-growing smartphone companies in Indonesia, vivo Mobile Indonesia.

In 1-year frame, these young talents will be receiving progressive and in-depth knowledge about the smartphone industry. In-class and market training are two ways we prepare our talents to develop their best potentials. If you love challenges, are quipped with leadership qualities, adapt quickly to a fast-paced environment, and are ready for development, then this surely is your cup of tea!

Open for the class of 2020, 2021, and 2022, stay tuned to our social media so you won't miss the updates!
